### Get a Head Start on Fall with the Leaf Relief Gutter Protection System

06/30/2010

As fall gets closer, it's a great time for contractors to think about professional gutter protection for their customers. Leaf Relief® by Ply Gem is an easy-to-install, maintenance-free, professional gutter protection system proven to be resistant to debris, weather and even pests while allowing water to flow freely through the gutter.

Leaf Relief by Ply Gem features:

- Solid aluminum construction - virtually maintenance free as it eliminates need for painting and does not rust or distort
- Easy installation - mounts directly to the gutter
- Weather and pest resistant
- 10-year warranty

Leaf Relief by Ply Gem is available at leading building materials distributors. To find a local dealer, call 800-857-1339.

This product is available with applications for new and existing gutters - please see options by clicking the "selections" tab on <http://www.leaf-relief.com/>
