MASTIC® EVERPLANK™

10" BOARD & BATTEN SIDING

TRUE-TO-WOOD LOOK WITH TRUSTED PERFORMANCE

Mastic EverPlank 10" Board & Batten Siding adds depth and distinction to the exterior of the home. Wider, flatter panels with an authentic wood grain look offer a high-end, seamless appearance while the first-of-its-kind foam backing improves impact resistance and energy efficiency (R-Value 2.1).

The popular vertical siding style provides a modern touch and a dramatic sense of height when used on the home's entire exterior – or use as an accent to highlight architectural features including entryways, gables, dormers and more.

EVER BEAUTIFUL. EVER DURABLE.
