Pieces/Carton	18	18
Coverage/Carton	216 LF	65.84 m

"We've long ago lost count of the neighbors who want to know what we did to the 'dented white siding' and they're always surprised that it is a vinyl product. We're very pleased with the look and value InsulPlank provides and would certainly recommend it to anyone."

G.&J. Forest, Edmonton, Alberta
