4720 SERIES
SLIDING WINDOW

STANDARD FEATURES

- Virtually maintenance-free extruded aluminum construction with electrostatically applied finish
- Removable sash
- Sleek profile provides larger viewing area
- Interior glazing allows for easier glass replacement
- Energy-efficient Warm Edge insulating glass
- 2⅛” frame depth
- Structural meeting rail provides rigid stability and allows for a tighter, weather-resistant unit
- Push rail located at meeting rail
- Integral nailing fin (shown) or flange for simple installation

OPTIONS

1. Available Low-E option.
2. Optional Low-ESC features Solar Cooling optimized Low-E for warmer climates.

All units are NAMI certified and rated in accordance with NFRC 100/200 standards by an AAMA accredited lab. Performance values reflect the performance of units tested with the following configuration: ¾” IGU, 3mm glass and no grilles.

NOTE: Colors shown are close approximations and may not be accurate representations for color matching. Please request color swatches from your Ply Gem sales representative to do so.
