1500 Vinyl Collection

Single Hung Windows

Building choice into every view.
Our 1500 Vinyl Collection offers features you’d expect to find in premium windows – without the premium price tag. Our single hung window boasts an energy-efficient fusion-welded frame available in three distinct profiles and colors to complement the style of your home.

### Frame Options

**Brickmould**
This classic profile complements traditional architectural styles.

**Beveled**
Clean chiseled lines and a narrower profile make this an attractive choice for modern homes.

**Flat**
The wide casing makes a design statement, while the arched trim really makes your windows stand out.

### Key features
- Expanded color palette
- Traditional or contemporary frame design options
- Many operable and fixed geometric shapes
- SDL or GBG grilles
- Easy installation
- Limited Lifetime Warranty
- High performance in an affordable window

### Color options
New colors are on brickmould and flat casing only.
*Some restrictions may apply.

### Glass options

### Grille types
- **GBG Grilles**
- **SDL Grilles**

Also available with no grilles.

- 3/4” Flat, 5/8” or 1” Sculptured
- 7/8” or 1-1/4” SDL with Shadow Bar

### Values reflect 3050 call size brickmould non-drywall glazed single window with 3mm glass, WarmEdge Spacer, no grilles.
Window Highlights

Jamb Alignment Clips
Aligns and holds frame in place during installation; enables one person to center smaller windows.

Interlocking Sashes
Sashes lock tightly together to help keep out intruders and inclement weather.

Integral Mulls
Twins and triples with continuous head and sill frame allows a mix of operating and fixed windows.

Patent #: 9038333

Dual Lift Rails
Full length lift rails make opening and closing easy.

Forced Entry Resistant Locks
Enhanced security locks meet tough AAMA forced entry requirements. ADA accessible and auto-lock options available.
