1500 Sliding Windows

Our 1500 Vinyl Collection offers features you’d expect to find in premium windows – without the premium price tag. Our sliding window boasts an energy-efficient fusion-welded frame available in three distinct profiles and colors to complement the style of your home.

**Key features**

- Expanded color palette
- Traditional or contemporary frame design options
- Available in mulled combinations
- SDL or GBG grilles
- Easy installation
- Limited Lifetime Warranty
- High performance in an affordable window

**Frame Options**

**Brickmould**
This classic profile complements traditional architectural styles.

**Beveled**
Clean chiseled lines and a narrower profile make this an attractive choice for modern homes.

**Flat**
The wide casing makes a design statement, while the arched trim really makes your windows stand out.

**Color options**

- Some restrictions may apply.

**Grille types**
Also available with no grilles.

- **GBG Grilles**
  - 3/4” Flat, 5/8” or 1” Sculptured

- **SDL Grilles**
