

CEDAR DISCOVERY  AUTHENTIC SHAKE AND SHINGLE SIDING

Designed for beauty. **Engineered to last.**

CAPE GREY
HAND-SPLIT SHAKE

COVER IMAGE: Cedar Discovery Perfection Triple 5" Shingle in Linen and Board+Batten Designer Series™ Brandy Wood

5 Five Point Locking System Ensures Ultimate Peace of Mind

C-LOK™ CONTINUOUS LOCKING SYSTEM

Our exclusive continuous snap-in locking system runs the entire length of the panel — and provides up to twice as much support as less reliable “tab-type” systems.

1

3

SURE POSITION LAPPING GAUGE™

Helps ensure perfect panel-to-panel alignment and lapping regardless of temperature extremes during the installation process.

PATENTED TORNADO TOUGH NAIL HEM

Double-thick nail hem provides extra stability

2

4 PATENTED FULL-PANEL SIDE-LOK™

Slide-in system makes side-to-side locking virtually error-proof for the most secure installation.

5 SIDE FLANGE WITH NAIL SLOT

Yet another point of engagement that helps ensure a professional, seamless appearance.

WIND VELOCITY — RATED UP TO 180 MPH

MIAMI-DADE COUNTY
APPROVED

Mastic's proprietary design and engineering delivers a panel that achieves superior wind resistance. (Varies by panel)

FLEX = EASIER INSTALLATION

Panels flex to ease installation in tight places — helps ensure a perfect fit and professional finish.

NO PAINT, NO HASSLES...NO HARM DONE

Since vinyl doesn't require paint or stain, harmful VOCs aren't released into the atmosphere.

BREATHE EASY

Cutting does not produce harmful silica dust — silica dust can cause lung disease.

SUSTAINABLE

Crafted of readily available natural materials. Cedar Discovery vinyl siding is safe, sustainable and recyclable.

CLASS 1(A) FIRE RATING

V.I.P. LIMITED LIFETIME WARRANTY

Premium guarantee of lasting quality and peace of mind. See warranty for complete details.

LAKESHORE FERN
HAND-SPLIT SHAKE

HAND-SPLIT SHAKE

Rich, realistic texture and deep random grooves replicate the beautifully rustic look of real cedar shakes.

LINEN
PERFECTION TRIPLE 5"

PERFECTION SHINGLE TRIPLE 5"

Random gaps and a cedar-grain texture replicate the look of real cedar shingles.

PERFECTION SHINGLE DOUBLE 7"

Random gaps and a refreshed, realistic rough cedar-grain texture replicate the natural appearance of real cedar shingles.

HALF-ROUND

A beautiful accent for neo-traditional homes, our Half-Round features a rough cedar-grain texture and a distinct scalloped edge.

Available Colors

Enhance your home's style with a palette ranging from traditional pastels and earth tones to darker contemporary colors.

GIVE YOUR HOME THE PERFECT FINISH

The big things like siding and windows make the house, but it's the finishing touches that make it home. So start with the rich texture of shakes or the crisp shadow lines of lap siding, but finish with charming shutters, expertly crafted trim or rustic stone. Creating your dream home exterior can start and finish with our Mastic and Ply Gem products. Every product we make is designed to perform and look beautiful together. Because a house is a home when it's **perfectly finished.**

SIDING + ACCESSORIES | WINDOWS + DOORS | STONE VENEER | TRIM + MOULDINGS

Home Design Made Easy.

It's simple to begin designing your dream home with the new Ply Gem® Home Design Visualizer.

CHOOSE A HOUSE OR UPLOAD YOUR OWN

It's that easy, just select from a variety of home styles or upload a picture of your own home to see the transformation.

ADD COLOR + VISUALIZE

THE INTERACTIVE DESIGN TOOL

Try the new Ply Gem Home Design Visualizer, a quick and easy way to see what different products, colors and palettes look like on your home.

| FENCE + RAILING

Test our vinyl siding. We do. Rigorously. Relentlessly.

Vinyl siding delivers what homeowners want.

Most important factors in siding material according to homeowners:

Source: Ply Gem primary research, December 2020

DURABILITY. If you're looking for shake siding that is durable and low maintenance, and looks beautiful, Cedar Discovery is the ideal choice. Cedar Discovery will enhance your home's appearance today — and for years to come.

COLOR AND TEXTURE. Featuring a realistic wood grain, Cedar Discovery is available in a wide range of colors, including bold, dark colors that color coordinate with our SolarDefense Reflective Technology™. SolarDefense is engineered to absorb less of the sun's heat, our newest, darkest colors are designed to resist fading and heat distortion better than ever. Our tough UV-stable polymer stands up to damaging rays. New cooling compounds scatter more light to reflect more heat away from the siding, and keep panels cooler even on the hottest days.

No paint. No stain. No hassles.

Based on an average-size home, repainting or staining can cost up to \$6,000 every four years. Cedar Discovery never needs painting, caulking or patching because, unlike wood, it won't crack, peel, rot or split. And the maintenance cost of vinyl siding is negligible (just soap and water).

TIME-TESTED. CERTIFIED. AND MORE.

Mastic vinyl siding products are certified through the Vinyl Siding Institute (VSI), which sponsors third-party certification to ensure vinyl siding quality. Mastic vinyl siding meets or exceeds ASTM D3679 performance standards for impact resistance, weatherability, product thickness and performance in extreme conditions — all requirements in the VSI certification program.*

*Consult the VSI website at www.vinylsiding.org for a current list of certified products and colors.

VIP LIMITED LIFETIME WARRANTY. Cedar Discovery is backed by a Limited Lifetime Warranty. Enjoy a premium guarantee of lasting quality and peace of mind from Ply Gem, a trusted industry leader for 75+ years. See warranty for complete details.

A HEALTHY HOME STARTS WITH THE BASICS

You want the best health for your family — and that starts at home. We offer a full line of coordinating accessories so your home can be healthy from the outside in.

Why does ventilation matter? Vents protect your home from heat and moisture buildup and keep fresh air moving. Sturdy and well-built, Ply Gem vents are specially engineered to deter insects, birds and other animals. They're easy to install on all types of siding and come in hundreds of colors and a variety of designer styles. Best of all, Ply Gem vents are constructed of high-performance, long-lasting vinyl for a lifetime of low maintenance.

UTILITY VENTS

Sturdy utility vents provide excellent cross-ventilation of garages, foundations and range hoods. The louvered exhaust vent is ideal for removing the moist air of dryers and bathrooms. Intake louvers and soffit intakes work in tandem with vents to maximize the flow of air, allowing your family to breathe easier. With our utility vents, a home not only looks beautiful, but feels fresher.

GABLE VENTS

Typically installed at the peak of a roof, gable vents encourage proper airflow in your attic. Ply Gem gable vents allow maximum ventilation and feature a special snap-on system for easy installation and cleaning. Whether you choose to have your gable vents blend in with your siding or stand out as a decorative accent, you'll find a variety of stylish options.

VENTURA® HIDDEN VENT SOFFIT

Sculpted in clean lines and smooth surfaces, Ventura Hidden Vent Soffit features a contemporary, long clear span design. It allows 50% more airflow, reducing utility bills and preventing mold and mildew damage.

OIL CAN TEST Siding panels are placed under heat strips and saturated to 120° – 140°F to make sure the siding doesn't warp or buckle.

WEATHERING Color retention (resistance to fading) is tested by subjecting Mastic products to real-time weather conditions and accelerated UV testing. This ensures that Mastic products will hold up in the most extreme environmental conditions.

RIGIDITY Panels are designed and engineered to be more rigid so the siding remains straight on the wall.

COLOR READ TEST Using a spherical spectrophotometer, a 10,000-watt xenon flash tube bounces light off a siding panel. This information is then analyzed to determine if the color falls within accepted ranges for color consistency and match.

VERTICAL HEIGHT IMPACT TEST Measures the product's durability and ability to resist impact forces — the result of proper thickness, formulation and impact modifiers.

GLOSS TEST A digital readout microgloss meter is used to scan siding to determine if its gloss falls within a target range. Gloss is important to the aesthetic appeal of the siding.

Mastic is part of the **Cornerstone Building Brands** family of brands, the largest manufacturer of exterior building products in North America.

Our Mastic siding products carry a superior warranty, providing comfort as you create the exact home you want for decades to come. And thanks to the industry's most advanced engineering processes, Mastic products deliver darker colors and better performance than were possible just a few years ago.

Dream big on your new home or remodeling project—with Mastic.
