

CLIPSTONE®

ColumnWrap

It's That Easy!™

The perfect solution for beautiful columns and caps

- Simple and easy to install around an existing 4", 6" or 8" PT post
- Installs with common everyday tools in all temperatures
- 3' Column installs in as little as 30 minutes
- Eliminates the need to frame out around the post
- No mortar, less mess and no masonry skills required

Get your caps to complete the look

- 18" x 18" split capstone designed for 4", 6" or 8" PT posts
- Full caps are also available
- Flat and peaked styles
