

## Cellwood® Shutter Collection

Your home is your own personal retreat. Adorn it in the beauty and elegance of the Cellwood® Shutter Collection.

### QUALITY SHUTTERS FOR ANY HOME

Our shutters are built to look as good as your home – whether it's brick, stone, vinyl siding, stucco or wood.

### VIRTUALLY MAINTENANCE-FREE

Cellwood shutters retain their stylish form and vibrant color through the life of your home and are virtually maintenance-free. We achieve this tremendous quality through our use of advanced UV stabilizers and a tough acrylic coating, which minimize the effects of sun, rain and wind.

### INDUSTRY LEADING WARRANTY

All of our shutters are built to last a lifetime, and will not split, crack, peel or excessively fade. In fact, we feel so strongly about our quality that we offer a Limited Lifetime Warranty on all of our shutters.

### A STYLE & COLOR FOR YOU

With classic styles like louvered, raised panel and board & batten, our elegant shutters create the perfect accents for your home. They are available in 19 classic colors and are factory finished to ensure consistent quality. And when styles change, our durable design allows you to repaint the shutters over again with latex paint.

### VARIETY OF SIZES TO FIT YOUR WINDOWS

Louvered, raised panel and board & batten shutters come in a wide variety of standard heights and widths to fit virtually any window. If one of our many standard sizes will not work, we can custom-make our louvered and raised panel shutters in virtually any length to meet your needs.
